Basis of Settlement

The Insurer will pay **the Insured**, in respect of each item covered, the amount of their claim for **Business Interruption**, provided that at the time of any **Event**

- A. there is an insurance in force covering the interest of **the Insured** in the property at the **Premises** against such **Event** and that payment has been made or liability has been admitted for payment, or payment would have been made or liability would have been admitted for payment but for the operation of a proviso in such insurance excluding liability for claims below a specified amount
- B. the most **the Insurer** will pay for any one claim is in the whole the **Total Sum Insured**, or in respect of any item its **Sum Insured** or any other limit of liability in this **Section**.

In consideration of **Sums Insured** or limits of liability not being reduced by the amount of any claim, **the Insured** will pay the appropriate additional premium on the amount of the claim from the date of the **Event** to expiry of the **Period of Insurance**.

The Insurer will pay **the Insured** as indemnity in consequence of **Business Interruption** for

- A. Loss of **Income**, and
- B. Increase in Cost of Working.

Loss of **Income** means the amount by which the **Income** during the **Indemnity Period** falls short of the **Standard Income**.

Increase in Cost of Working means the additional expenditure necessarily and reasonably incurred for the sole purpose of avoiding or diminishing the loss of **Income** which but for that expenditure would have taken place during the **Indemnity Period**.

Basis of Settlement Adjustments

The Insurer will not pay **the Insured** for

- A. Increase in Cost of Working exceeding the amount of loss of **Income** thereby avoided
- B. any amounts saved during the **Indemnity Period** in respect of any of the charges and expenses of the **Business** payable out of **Income** that may cease or be reduced.

In calculating the amounts **the Insurer** will pay **the Insured** as indemnity, adjustments shall be made in accordance with the following clauses.

1. Average

If the **Sum Insured** by any item on income is less than the **Annual Income**, or if the Departmental Trading clause applies is less than the aggregate of the sum produced by the **Annual Income** for each department of the **Business** (whether affected by the event or not), the amount payable will be proportionately reduced.

The amount of the **Annual Income** will be proportionately increased when the **Maximum Indemnity Period** exceeds 12 months.

2. Alternative Premises

If during the **Indemnity Period** work is done or services are rendered elsewhere than at the **Premises** for the benefit of the **Business**, either by **the Insured** or by others on behalf of **the Insured**, the money paid or payable for such work or services shall be taken into account in arriving at the **Income** during the **Indemnity Period**.

3. Departmental Trading

If the **Business** is conducted in departments, the independent trading results of which can be ascertained, the Basis of Settlement for **Income** shall apply separately to each department affected.

4. Trends and Variations

Adjustments shall be made to the figures representing the **Annual Income** and the **Standard Income** that may be necessary to provide for the trend of the **Business**, and for variations in or other circumstances affecting the **Business**, either before or after the **Event**, and which would have affected the **Business** had the **Event** not occurred, so that the adjusted figures represent as near as reasonably practicable results which but for the **Event** would have been obtained during the relative period after the **Event**.

5. New Business

If the **Business** is in its first year of trading during the first **Period of Insurance**, and an **Event** occurs before completion of such first **Period of Insurance**, **Annual Income** and **Standard Income** shall mean the following.

Annual Income - the proportional equivalent, for the period of 12 months, of the **Income** realised during the period between the date of commencement of the **Business** and the date of the **Event**.

Standard Income - the proportional equivalent, for the period equal to the **Indemnity Period**, of the **Income** realised during the period between the date of commencement of the **Business** and the date of the **Event**.

6. Accountants' Charges

If the professional accountants of **the Insured** produce any particulars or details required by **the Insurer** from **the Insured's** books of account or other business books or documents, or any other proofs, information or evidence under the terms of Condition 2 of this **Section**, **the Insurer** will pay **the Insured** the reasonable charges payable by **the Insured** to their professional accountants, provided that the sum of such reasonable charges and any other amount payable under this **Section** shall not exceed the liability of **the Insurer** under this **Section**.

7. Value Added Tax

All terms in this **Section** shall be exclusive of value added tax to the extent that **the Insured** are accountable to the tax authorities for such tax.

8. Current Cost Accounting

For the purposes of this **Section**, any adjustment implemented in current cost accounting shall be disregarded.

9. Payments on Account

The Insurer will make payments on account during the **Indemnity Period**, if **the Insured** so request, subject to any necessary adjustment at the end of the **Indemnity Period**.

Extensions

Any claim resulting from interruption of or interference with the **Business** in consequence of loss, destruction or damage to any Property shown below, within Great Britain, Northern Ireland, the Isle of Man or the Channel Islands, shall be understood to be **Business Interruption** by an **Event** covered by this **Section**, provided that after the application of all other terms, conditions and provisions of this **section** the liability of **the Insurer** for any one claim shall not exceed in the whole the **Total Sum Insured**.

- ii. the interest of **the Insured** ceases other than by death
- iii. any alteration is made in the **Business** or in the **Premises** or property in them which increases the risk of an **Event**.

2. Additional Claims Conditions

In the event of any **Event** in consequence of which **the Insured** make or may make a claim under this **Section**, **the Insured** shall at their own expense deliver to **the Insurer**

- A. within 7 days of its happening, full details of **Business Interruption** caused by riot, civil commotion, strikers, locked-out workers, persons taking part in labour disturbances, malicious persons or theft
- B. not later than 30 days after expiry of the **Indemnity Period**, or such further time that **the Insurer** may allow, full information in writing of the particulars of the claim, together with details of all other policies covering property used by **the Insured** at the **Premises** for the purpose of the **Business** or any part of the **Business**, and the amount of any resulting **Business Interruption**
- C. such books of account and other business books, vouchers, invoices, balance sheets and other documents, proofs, information, explanation and other evidence that **the Insurer** may reasonably require for the purpose of investigating or verifying the claim, together with, if required, a statutory declaration of the truth of the claim and of any matters connected with it.

Particulars or details contained in **the Insured's** books of account or other business books or documents, which may be required by **the Insurer** for the purpose of investigating or verifying any claim under this **Section**, may be produced by professional accountants if at the time they are regularly acting for **the Insured**. Their report shall be *prima facie* evidence of the particulars and details to which such report relates.

The Insurer will not pay for any claim unless the terms of this condition have been complied with, and any payment on account already made shall be repaid to **the Insurer**.

3. Contribution

If at the time of any **Event** resulting in a claim under this **Section** there is any other insurance effected by or on behalf of **the Insured** covering such loss or any part of it, the liability of **the Insurer** under this **Section** shall be limited to **the Insurer's** rateable proportion of such loss.

4. Subrogation

Any claimant under this **Section** shall, at **the Insurer's** request and expense, take or permit to be taken all necessary steps for enforcing rights against any other party in the name of **the Insured**, before or after **the Insurer** makes any payment.

The Insurer agrees to waive any such rights to which **the Insurer** might become entitled by subrogation against any company standing in relation of parent to subsidiary (or subsidiary to parent) to **the Insured** or against any company which is a subsidiary of a parent company of which **the Insured** are themselves a subsidiary, in each case within the meaning of the Companies Act or Companies (Northern Ireland) Order current at the time of the **Business Interruption**.

5. Arbitration

If any difference arises as to the amount to be paid under this **Section** (liability being otherwise admitted by **the Insurer**), such difference shall be referred to an arbitrator to be appointed by **the Insured** and **the Insurer** in accordance with statutory provisions.

Where any difference is referred to arbitration in accordance with this condition, the making of an award shall be a condition precedent to any right of action against **the Insurer**.

6. Declarations

The Insured may, at the Insured's option, provide a declaration confirmed by **the Insured's** auditors of the **Income** earned during the financial year most nearly concurrent with an expired **Period of Insurance**. If any **Event** has occurred giving rise to a claim for loss of **Income**, such declaration will be increased by **the Insurer** for the purpose of premium adjustment, by the amount by which the **Income** was reduced during such financial year solely in consequence of the **Event**.

If the declaration of **Income**, proportionately increased where the **Maximum Indemnity Period** exceeds 12 months, is less than the **Sum Insured on Income** for the relative **Period of Insurance**, **the Insurer** will allow a *pro rata* return of premium not exceeding 50% of the premium paid.
