A close-up photograph of several parallel, ribbed steel reinforcement bars (rebar) embedded in a concrete structure. The bars are arranged in a grid pattern, and the concrete surface is visible between them. The lighting is dramatic, with strong highlights and deep shadows, creating a textured and industrial appearance.

This policy overview does not contain the full terms and conditions of the policy. These can be found in the policy document, a copy of which is available on request.

Construction Select

Introduction

Allianz Insurance plc is one of the UK's leading insurers, focused on servicing the general insurance needs of UK businesses.

As part of Europe's largest insurer we provide you with the peace of mind that comes from dealing with one of the most financially secure insurers.

Our professional, efficient and friendly people are committed to provide you with a high quality service.

In the event of having a claim, you will be in good hands. Our professional teams of claims handlers will deal with your loss promptly and seek flexible solutions to get your business back to full strength as soon as possible.

What is Construction Select?

The Construction Select Policy will cover you for 12 months and is annually renewable it is designed specifically to meet the needs of Construction firms.

The policy is underwritten by Allianz Insurance plc.

The policy wording is modern, up to date and offers covers specifically required by Construction firms. Public Liability and Legal Expenses are compulsory sections of cover.

The policy overview does not contain the full terms and conditions of the policy, which can be found in the policy document. Your insurance adviser or local Allianz office will be pleased to explain the policy cover in more detail.

Please Read the Policy

Please read the policy and the policy schedule carefully and make sure that it meets your needs and that you understand its terms, conditions, limits and exclusions.

If you wish to change anything or if there is anything you do not understand please notify your insurance adviser or the Allianz office that issued your policy. If you fail to notify us your policy may not operate or not operate fully.

Risk Management

One of the general conditions of the policy expects you to take reasonable precautions to prevent losses and to comply with statutory and other regulations.

Whilst insurance cover can compensate for financial loss arising from damage to property or injury to personnel, it does not compensate for the inconvenience that can be caused in the disruption to your business and the time spent in resolving the loss.

There are a wide range of measures which can be introduced as part of a risk management or loss prevention programme to prevent accidents and reduce the chances of loss or damage.

A self-assessment Risk Management Guide is available giving Construction firms advice and guidance on ways of preventing accidents or minimising such losses. For a copy, please contact your insurance adviser or local Allianz office.

Would I receive compensation if Allianz were unable to meet its liabilities?

You may be entitled to compensation from the Financial Services Compensation Scheme (FSCS) if we cannot meet our liabilities. Full details are shown in the policy wording a copy of which is available on request.

Our aim is to get it right, first time, every time. If we make a mistake we will try to put it right promptly.

We will always confirm to you the receipt of your complaint within five working days and do our best to resolve the problem within four weeks. If we cannot we will let you know when an answer may be expected.

Employers Liability Certificates

The Employers Liability (Compulsory Insurance) Regulations 1998 and subsequent Employers Liability (Compulsory Insurance) Amendment Regulations 2008 lay down certain obligations for employers and in particular you should be aware of the following:

- **Display of Certificates**

If the Employers Liability Section is insured, Allianz will provide you with a Certificate of Employers Liability Insurance and this will clearly state the companies covered by the policy. You must display a copy of the certificate at each place of business or make the certificate available in an electronic form so that each relevant employee to whom it relates has reasonable access to it.

- **Retention of Certificates**

There is now no legal requirement for you to retain copies of expired Certificates of Employers Liability Insurance. However, as certain claims e.g. industrial disease, could be made many years after the disease is caused, it is recommended that a complete record is kept of your Employers Liability insurance history, including the name of the insurer(s), policy number(s) and dates of the relevant policies.

Policy Limits

Higher limits may be available on request. Please ask your insurance adviser for details.
