Our technical experts understand how best to protect you against the risks your business faces. You don't have to take our word for it. Allianz Insurance has won many industry accolades including General Insurer of the Year in 2004 and 2005.

If you need to make a claim you will be in safe hands. Our professionally trained staff aim to treat you, as you would expect, both promptly and fairly. By listening to you, and understanding your needs we will provide you with the most appropriate solutions to get your business trading again as quickly as possible.

Should you need further details or have any questions your insurance adviser will be delighted to help.

Allianz gives you the flexibility to insure all of your vehicles under one policy. Our Motor Fleet policy is suitable for fleets of 15 or more vehicles. Our Commercial Motor policy has been designed specifically for smaller fleet risks.

Each policy has been designed to provide you with extensive cover for most vehicle types and uses.

Your policy will cover you for 12 months and is renewable annually.

What is covered

You can choose one of three different types of cover, which are summarised below.

Third Party Only (TPO)

If you are involved in an accident, you are covered for damage you cause to other peoples' vehicles or property or for injuries they sustain.

Third Party Fire & Theft (TPFT)

In addition to the cover described in TPO, you are also covered for loss of or damage to your own vehicle caused by fire or theft.

Comprehensive (Comp)

In addition to the cover described in TPFT, you are also covered for any damage your vehicle sustains in an accident or for any damage caused by vandalism.

What happens if I take out cover and then change my mind?

If you are an individual or sole trader (including a partnership in England or Wales) you have a right to cancel the policy within a 14 day cancellation period and receive a return of any premiums paid, less an administration charge and an amount representing the cover you have received to date. Full details can be found in the policy wording.

How do I notify a claim?

claims START is a service from Allianz to help you through the sometimes difficult first stage when making a claim. An immediate call on 0800 587 5858 will ensure that your claim is handled quickly and smoothly. This number is open 24 hours a day, 365 days a year.

Would I receive compensation if Allianz were unable to meet its liabilities?

In the event that Allianz is unable to meet its liabilities you may be entitled to compensation from the Financial Services Compensation Scheme. Full details are shown in the policy wording a copy of which is available on request.

Vehicle Notification

The Fourth EU Motor Insurance Directive is designed to improve the claims process for EU citizens who are involved in motor accidents in other EU member countries. The principle requirement is that a claimant should be able to identify the relevant insurer from the Vehicle Registration Mark. This may also help to combat uninsured driving. In the UK this legislative requirement is met by the 'Motor Insurance Database' (MID) which has been designed to provide a record of all insured motor vehicles registered for use on the road.

To comply with legislation we require any additions or vehicle alterations to be notified immediately. Various notification methods are available.

Please indicate your preferred method from the choices below:
